WAR OFFICE, 31st July, 1815.

SIR,

THE Prince Regent having taken into his most gracious consideration the distinguished gallantry manifested upon all occasions by the Officers of the British Army, and having more particularly adverted to the conspicuous valour displayed by them in the late glorious Victory gained near Waterloo by the Army under the command of Field Marshal the Duke of Wellington; and His Royal Highness being desirous of testifying the strong sense entertained by him of their devotion to His Majesty's Service, I have the honour to acquaint you that His Royal Highness has been pleased to order,

First,—That the Regulation under which Pensions are granted to Wounded Officers shall be revised, and that the Pensions which have been or may be granted to Officers for the actual loss of Eye or Limb, or for Wounds certified to be equally injurious with the loss of Limb, shall not be confined to the amount attached by the Scale to the Rank which the Officer held at the time when he was wounded, but shall progressively increase according to the rank to which such Officer may, from time to time, be promoted; the augmentation, with regard to the Pensions of such Officers now upon the List, being to take date from the 15th of June, 1815, inclusive.

Secondly,—That every Subaltern Officer of Infantry of the Line who served in the Battle of Waterloo, or in any of the Actions which immediately preceded it, shall be allowed to count Two Years' Service in virtue of that Victory, in reckoning his Services for Increase of Pay given to Lieutenants of Seven Years standing; and every such Subaltern will therefore be entitled to the additional shilling a day, whenever he shall have served five years as a Lieutenant.

And Thirdly,—That this Regulation shall be extended to every Subaltern of Cavalry, and to every Ensign of the Foot Guards, who served in the above-mentioned actions; and every such Subaltern and Ensign will therefore be entitled to an additional shilling a day after five years service as a Lieutenant in the Cavalry, or as an Ensign in the Guards.

His Royal Highness being also desirous of marking his sense of the distinguished bravery displayed by the Non-commissioned Officers and Soldiers of the British Forces in the Victory of Waterloo, has been most graciously pleased to order, that henceforward every Non-commi

signed Officer, Trumpeter, Drummer, and Private Man, who served in the Battle of Waterloo, or in any of the Actions which immediately preceded it, shall be born upon the Muster Rolls and Pay-Lists of their respective Corps as "Waterloo Men;" and, that every "Waterloo Man" shall be allowed to count Two Years Service in virtue of that Victory, in reckoning his Services for increase of Pay, or for Pension when discharged.

It is, however, to be distinctly understood that this indulgence is not intended in any other manner to affect the conditions of their original enlistment, or to give them any right to their discharge before the expiration of the period for which they have engaged to serve.

The Duke of Wellington has been requested to transmit Returns of the Subaltern Officers to whom these orders may be considered by His Grace to apply; together with accurate Muster Rolls containing the names of all the "Waterloo Men" in each Corps; such Muster Rolls being to be preserved in this Office as a record honourable to the individuals themselves, and as Documents by which they will at any future time be enabled to establish their Claims to the Benefits of this Regulation.

I have great pleasure in communicating these instances of the Prince Regent's gracious consideration for the Army; and I request that you will be pleased to take the earliest opportunity of announcing the same to the Officers and Men of the Corps under your command.

I have the honour to be, &c.

PALMERSTON.

WAR OFFICE, 3d August, 1813.

SIR,

REFERRING to the 10th Article of His Majesty's Warrant, dated the 15th May, 1813, for regulating the issues of Staff and Garrison Pay, I have the honour to transmit herewith for your information and guidance, a List of the Staff and Garrison Officers, who are provided for upon the Establishment of the Forces under your command for the current year; and to acquaint you that every appointment in addition to this Establishment, which the circumstances of the service may render it necessary to make abroad, is to be immediately reported in the manner pointed out in Article 8 of the said Warrant. But if the public service should not require all the Appointments therein provided for, the numbers may be diminished in such proportion as you may deem expedient.

I am at the same time to call your particular attention to the 5th Article relative to the period from which the Pay of Officers proceeding to join, on being newly appointed to the Staff, is to commence.

I have, &c.

SIR,

WITH reference to the Circular Letter from the Secretary at War dated 29th ultimo, No. 288, and to the Act of the 55th of the King, cap. 134, I have Lord Palmerston's directions to acquaint you, that the Allowance to be paid to discharged Men, from the 10th ultimo, will be, of course, one shilling and eight pence for each day's march, instead of one shilling and ten pence per diem, as specified in the Circular Letter from this Department of the 17th August, 1813.

WAR-OFFICE, 17th August, 1813.

SIR,

I HAVE received the Secretary at War's directions to desire, that in transmitting Claims of Officers, in consequence of Wounds, you will in every case forward a Certificate, signed by the Commanding Officer of the Corps to which the Officer belonged at the time of being wounded, specifying the time when, and the place where he was wounded.

I have to add, that the claim is to be accompanied by a Certificate from the Officer, that he has not preferred his Claim elsewhere.

I am, &c.

OFFICE FOR MILITARY ACCOMPTS, 19th August, 1815.

SIR,

SOME questions having arisen relative to the Marching Allowance to Officers, when in certain situations, with reference to the Secretary at War's Circular of 26th June last, (communicated to you from this Department on the 7th ultimo,) I am directed to acquaint you, that the Allowance of Five Shillings a day, therein specified for Regimental Officers on the March in Great Britain, will be admitted for every day the Officers were actually on a March, the usual halting days included; but that it does not extend to the two days after the arrival in Quarters, for which the Allowance to Innkeepers for Men on a March is granted, when no Market day intervenes.

It appears necessary further to explain, that no Officer is to receive the Marching Money of Five Shillings per diem, for any March on which he is allowed the Nine pence per mile for the carriage of his Baggage, under the existing Regulations; or in any case in which a special Allowance is granted for the particular duty in which the Officer is employed; the first mentioned Allowance of Five Shillings a day being confined to the case of an Officer marching with Troops by Route. I am, however, desired by the Secretary at War to observe, that in cases even when Routes may have been granted, it is not intended to issue the Allowance for short Marches to neighbouring places, where the distance is not equal to an ordinary day's March, viz. Ten Miles.

I am, &c.

Addressed to the Paymasters of Cavalry, Infantry,
Militia, Recruiting Districts, Detachments and Depots.

CIRCULAR. No. 292.

WAR-OFFICE, 21st August, 1815.

SIR,

WITH the view of promoting the comfort of Soldiers' Wives, Widows, and Children, who are entitled to Passes under the 51 Geo. III. Cap. 106, and 52 Geo. III. Cap. 190, I have the honour to acquaint you, that in every case in which conveyance by Canal or by Waggon, or Coastwise by Sea can be procured from to the place of any such Woman's destination, there will be no objection to your so sending her and her Children, if she has any; provided she herself prefers this arrangement to a Pass, enabling her to march by land, and that the expense, both for conveyance and subsistence, does not exceed the amount of the Allowances, which she and her Children would, by the abovementioned Acts, be entitled to receive, if they proceeded on foot to the place whither they are to be conveyed. The payment for such passages is not to be made to the Woman, but to the Master or Driver of the Waggon, or to the Master of the Vessel, by which she shall be conveyed; but if she will have to provision herself and Children, the surplus for that purpose is to be left in her hands; and the total amount is to be issued and charged by the Paymaster of Detachments, or by any other Paymaster at.

It is clearly to be understood, that this arrangement is in no degree to affect the Regulations, already in force, under my Circular Letter, No. 276, for verifying the Certificates presented by Women claiming Passes under the aforesaid Acts of Parliament.

When you transmit Certificates for verification, you will be pleased to specify the name of every Woman, who is to have a conveyance instead of a Pass, and the expense of such conveyance, together with the name of the Paymaster, who is to advance the Money, upon which (if the Certificate is genuine, and would entitle her to a Pass,) an authority will be sent for his charging the amount.

In cases where conveyance can be procured only for a part of the distance, which the Woman has to travel, there will be no objection thereto, the place to which the Woman is to be so conveyed as well as her ultimate destination being specified, when her Certificate is sent to this Office for verification.

CIRCULAR. No. 293.

WAR-OFFICE, 21st August, 1815.

SIR,

WITH reference to my Circular Letter to Officers commanding Regiments, No. 269, and with the view of promoting the comfort of Soldiers' Wives, who are sent to their respective homes upon their Husbands' going on Foreign Service, I have the honour to acquaint you that, in the event of the Regiment under your command or Detachment thereof, being ordered abroad, if conveyance by canal or by waggon, or coastwise by Sea can be procured from the place where any such Women shall leave the Regiment or Detachment to the places of their destination, there will be no objection to your so sending them and their Children, provided, that in every instance the Woman herself prefers this arrangement to a Pass, enabling her to march by land, and that the expense, both for conveyance and subsistence, does not exceed the amount of the Allowances, which she and her Children (if she has any) would be entitled to receive, if they proceeded on foot: Payment for such passages is not to be made to the Woman, but to the Master or Driver of the Waggon, or to the Master of the Vessel by which she is conveyed; but if she is to provision herself and Children, the surplus for that purpose may be left in her hands.

It is clearly to be understood that this arrangement is in no degree to affect the Regulations already in force under my Circular Letter, No. 269, for sending Returns of Women, who are to leave the Regiment on its embarkation.

When you transmit the Return A. required in the abovementioned Circular, you will be pleased to specify the name of every Woman, who is to have a conveyance instead of a Pass, and the expense of such conveyance; when an authority will be sent to the Paymaster of the Regiment to charge the amount in his Account.

In cases where conveyance can be procured only for a part of the distance, which the Woman has to travel, there will be no objection thereto; the place to which the Woman is to be so conveyed, as well as her ultimate destination, being specified in the aforesaid Return A.

Addressed to the Officers Commanding Regiments at Home.

WAR-OFFICE, 24th July, 1815.

THE PRINCE REGENT, as a mark of his high approbation of the distinguished bravery and good conduct of the 1st and 2d Life Guards at the Battle of Waterloo, on the 18th ultimo, is pleased to declare himself Colonel in Chief of both the Regiments of Life Guards.

WAR-OFFICE, 25th July, 1815.

HIS Royal Highness the Prince Regent has been pleased, in the name and on the behalf of His Majesty, to approve of all the British Regiments of Cavalry and Infantry, which were engaged in the Battle of Waterloo, being permitted to bear on their Colours and Appointments, in addition to any other Badges or Devices that may have heretofore been granted to those Regiments, the word "WATERLOO," in commemoration of their distinguished services on the 18th of June, 1816.

WAR-OFFICE, 29th July, 1815.

THE PRINCE REGENT, as a mark of His Royal Approbation of the distinguished gallantry of the Brigade of Foot Guards in the Victory of Waterloo, has been pleased, in the name and on the behalf of His Majesty, to approve of all the Ensigns of the Three Regiments of Foot Guards having the Rank of Lieutenants, and that such Rank shall be attached to all the future Appointments to Ensigncies in the Foot Guards, in the same manner as the Lieutenants in those Regiments obtain the Rank of Captain.

His Royal Highness has also been pleased to approve of the First Regiment of Foot Guards being made a Regiment of Grenadiers, and styled "The First, or Grenadier Regiment of Foot Guards," in commemoration of their having defeated the Grenadiers of the French Imperial Guards upon this memorable occasion.

WAR-OFFICE, 23d August, 1815.

HIS ROYAL HIGHNESS THE PRINCE REGENT has been pleased, in the name and on the behalf of His Majesty, to approve of the 85th Regiment being in future styled the 85th (or Duke of York's Own) Regiment of Light Infantry, and also to permit the Regiment to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the Motto "*Aucto splendore resurgo*."

GENERAL ORDER. No. 291.

HORSE-GUARDS, 10th August, 1815.

HIS ROYAL HIGHNESS THE PRINCE REGENT, in the name and on the behalf of His Majesty, has been pleased to direct that the Cap now in use by the Infantry of the Army shall be discontinued, and an approved Pattern of the Cap to be adopted, has, by direction of the Commander in Chief, been sealed and lodged at the Office for Boards of General Officers at Whitehall.

A Cover of prepared linen to be worn in wet weather, is to be added according to pattern.

The Cap, Cockade, Feather or Tuft, Plate, and Cap Cover, are to be supplied, once in every Two Years; it is presumed that the Brass Scales will last longer, and will generally not require to be furnished more than once in every four Years.

The price of the Cap, Cover, &c., complete, does not exceed that of the present Cap, viz. Eight Shillings.

Regiments which have been supplied with Caps of the pattern heretofore in use, are to be permitted to wear them until the expiration of the period for which they have been furnished.

By Command of His Royal Highness the Commander in Chief.

HARRY CALVERT, Adjutant-General.

CIRCULAR.
SIR,

OFFICE FOR MILITARY ACCOMPTS, 15th Sept. 1815.

IN transmitting for your guidance the inclosed Copy of a Circular Letter from the Secretary at War to the Commanding Officers of Regiments, dated the 31st July, 1815, (No. 287)* I am directed to convey to you the following Instructions as to the mode of paying and accounting for the allowances thereby granted, viz.

The Lieutenants of Cavalry and Infantry, who had served more than five Years as such on the 18th June, 1815, or who may subsequently have completed that period of Service, are to receive one Shilling per diem for every day's Service as Lieutenant beyond five Years, it being fully understood that the retrospect is in no instance to exceed two Years.

In like manner the Corporals and Privates distinguished as "Waterloo Men" are to receive the benefit of the two Years Service retrospectively, in cases in which by the addition of the two Years, they would have completed their respective terms of Service on or previously to the 18th June, 1815, and the two Years Service will of course be reckoned in all claims subsequently accruing.

Such of the Officers and Men present with the Battalion as are now entitled to receive the same, may be settled with accordingly.

The charges for the Officers are to be included in the ordinary accounts of their pay, and those for the men present in a distinct Supplementary Pay List to the 24th September, Forms for which will be transmitted from this Office.

The ordinary Quarterly Pay List to that period will therefore be proceeded upon and rendered as if the Circular of the 31st July last had not been issued.

The Non-Commissioned Officers and Privates absent will receive the amount due to them under directions from this Department, which will be issued as soon as a certified Return signed by the Commanding Officer, Adjutant, and Pay Master shall have been received.

You will be aware that under the present Mutiny Act, (Clause 97.) Soldiers becoming entitled to additional Pay on account of Service, are allowed to receive the same from the first day of the Military Quarter in which they complete their period of Service: but this rule, being to take effect from the 25th of June last, does not apply to the men, who, with the addition of the two Years now granted to them, will have completed their term of Service on or before the 24th June last.

Paymaster of the

I am, &c.

WAR OFFICE, 23d September, 1815.

SIR,

THE Instructions contained in my Circular Letter, No. 298, dated 23d July, 1814, respecting the sums required to be retained by Regimental Paymasters abroad, on account of the Property Tax, not being now applicable, in consequence of their not being conformable to the system established by the Lords Commissioners of His Majesty's Treasury, for the practical relations between the ordinary and extraordinary chests of the Armies on Foreign Stations; I have submitted the subject to the Prince Regent, and His Royal Highness has been pleased to order, in the name and on the behalf of His Majesty, that from the date of the receipt of this Letter, the following arrangement shall take place; viz. the Paymaster of the Regiment under your command is to continue to deduct from the Estimates, which he is directed by the 2d Article of his instructions to submit to the Commander of the Forces upon the Station where he is serving, the amount of the Property Duty upon the Pay of the Regimental Officers, which is accordingly to be retained by the Deputy Paymaster General: the latter will then give to the Regimental Paymaster a Certificate of the sum so retained, which Certificate is to be transmitted by the said Paymaster to the Collector of the Property Tax of the Army, (Mr. Charles Hamilton of this Office,) in order that he may receive the amount of the sums so certified from the Paymaster General of the Forces. I am to add that the amount of any Bills which may have been drawn upon the Board of Treasury, under the arrangement notified in my Circular above-mentioned, before the present Regulation comes into operation, will be transferred by the Paymaster General from the ordinary to the extraordinary funds, except in cases in which the Deputies abroad may have actually made the transfer of the amount to the Commissariat Officer on the spot.

CIRCULAR.
SIR,

OFFICE FOR MILITARY ACCOMPTS, 25th August. 1815.

THE practice which has been found to prevail, of inserting charges in the Regimental Accounts for the Pay of Men, for periods for which they have not been accounted with, being very objectionable; I have the Secretary at War's directions to call your particular attention to the existing Regulations on that head, and to desire that you will, in no instance, make a charge in your accounts for the pay of a man absent from the corps, beyond the period to which he shall have been actually settled with.

Addressed to Paymasters of
Cavalry and Infantry on the Continent.

I am, &c.
M. FOVEAUX, (for the Cavalry.)

WAR-OFFICE, 31st August, 1813.

THE Prince Regent having been pleased to determine that, in order to remedy the inconvenience and delay experienced in the adjustment of the Claims of Soldiers, a Book should be kept by every Non-Commissioned Officer, Trumpeter, Drummer, Fifer, and Private Man, of His Majesty's Regular Forces, calculated to shew the actual state of his Accounts, I am commanded by His Royal Highness to send you ^{Forms of the said Book;} and to acquaint you, that a further supply, when necessary, will be furnished, on application being made to Mr. Clowes, Northumberland-court, Strand.

The Prince Regent further commands me to signify to you his pleasure, in the name and on the behalf of His Majesty, that you do notify, in Regimental Orders, that, in pursuance of an additional Article of War that has been established, any man, who shall deface his Book, or lose the same through want of care, shall, besides the postponement of the settlement of his claim to any pay which may be due to him, be liable to such other punishment, (not extending to life, or limb, or to corporal punishment,) as shall be awarded by a General, Regimental, or Detachment Court-Martial.

GENERAL ORDER.

HORSE-GUARDS, 6th October, 1813.

WITH the view of ascertaining the Claims of Soldiers, and of expediting the Settlement of their Accounts under the various circumstances in which, in the course of Service, they may be placed, His Royal Highness the Prince Regent, in the name, and on the behalf of His Majesty, has been graciously pleased to direct, that each Non-Commissioned Officer and Soldier of the Regular Army shall be provided with a Book, calculated to shew the actual state of his Accounts, and other particulars tending to facilitate this desirable object; Commanding Officers of Regiments have been informed by the Secretary at War of the mode in which these Books are to be supplied, and the Commander in Chief relies on their taking due care, that they are kept with the utmost regularity; The Name, Regiment, and Troop or Company of the Non-Commissioned Officer or Soldier, is to be printed, or written in a fair and legible hand, on the Cover of his Book, which is always to be kept about his Person, and is to be produced at all Inspections of Necessaries; and Captains and Commanding Officers of Troops and Companies are responsible that each Man's Account is completed and signed at the close of every Month in the case of Soldiers of Infantry, and at the termination of every Two Months in the Cavalry.

His Royal Highness desires that the purpose for which these Books are provided may be fully explained to the Men, and at the same time, that it may be notified in the Orders of the Regiment, that, in conformity to the Articles of War, any Man who shall deface his Book, or lose the same, through want of care (independent of the inconvenience to which he will thereby be exposed by the postponement of the Settlement of his Accounts,) will be liable to such Punishment as shall be awarded by a Court-Martial.

By Command of His Royal Highness,

The Commander in Chief,

HARRY CALVERT, Adjutant-General.

HORSE-GUARDS, 12th September, 1813.

MEMORANDUM.

THE Commander in Chief is pleased to direct, that Corps of Infantry serving in the East Indies and at the Cape of Good Hope, or to the Eastward of that Settlement, shall be allowed to enlist for *Unlimited Service*, Fifty Boys for each Battalion, as low as Five Feet in height, if not exceeding Sixteen Years of Age; and that the Regiments of Infantry stationed otherwise than as above, shall be allowed to enlist, for each Battalion, Thirty Boys of a similar description.

The Levy Money for each Recruit of this Class is *Three Pounds*,—Five Shillings of which will be paid to the Boy on Intermediate Approval, and the remainder on Final Approval, in Cash and Necessaries. It is to be clearly understood, that neither the Subdivision Officer nor the Party are to receive any Allowance for enlisting Boys of this description.—When the Surgical Examination is made by a Country Practitioner, the usual Allowance of Two Shillings and Sixpence may be charged.—The Attending Shilling is to be paid out of the Levy Money.

The vacancies that may from time to time be occasioned by a proportion of these Boys becoming efficient Soldiers are to be filled up by enlisting a corresponding number, as directed in the General Order of the 23th of February, 1813, to which the Commanding Officers of Corps, and Depots of Corps, enlisting Boys under this authority, are referred for specific Instructions as to the mode of their treatment and discipline.

By Command of His Royal Highness the Commander in Chief,

HARRY CALVERT, Adjutant-General.

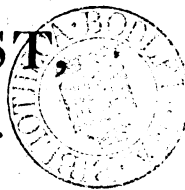

Sent from the Office for Military Accounts on the
29th of September, 1813, for the information of
Paymasters.

WAR OFFICE, 31st Nov. 1815.

Copies of several Circular Letters, &c. lately issued.—Published by Authority of the Secretary at War.

CIRCULAR, 299.

COPY.

WAR-OFFICE, 30th October, 1815.

SIR,

IT being observed, that, in numerous instances in which the Regimental Accounts are not forwarded at the regular Periods, the causes of the delay are not explained as required by the Circular of the 23d December, 1809, I am to desire that you will intimate to the Paymaster of the Regiment under your Command, that, if, in future, he shall fail to report to the Superintendents of Military Accounts, at the time when his Pay-Lists ought properly to be sent off, the reason which may prevent their transmission, I shall feel it my duty to bring his Conduct under the Notice of His Royal Highness the Prince Regent.

I have, &c.

(Signed)

PALMERSTON.

Officer Commanding
the Regiment of
(Regular and Militia Corps on the British Establishment.)

CIRCULAR, No. 300.
SIR,

WAR-OFFICE, 31st October, 1815.

GREAT inconvenience being experienced at this Office from the delay in the transmission of the Estimates of Suma paid by the Deputy Paymasters General abroad, for the service of detachments of Regiments, as well as from the mode in which such Estimates are made out; the issues for the detachments of several Corps being frequently blended in one Estimate, and the Rank and Number of Officers and Men being frequently inserted, without specifying their Names, the rates at which, and the periods for which they are estimated, I think it necessary to call your attention to the subject, and to request that, with a view to remedy this inconvenience, you will instruct your Military Secretary, or other proper Officer, to be forward direct to this Office; ("Department of Accounts" being marked on the corner of the Cover,) as soon as possible after your Warrants for the necessary issues on account thereof, shall have been granted.

I am further to request that you will cause either the Originals, or Duplicates of all Estimates, to be forwarded direct to this Office; ("Department of Accounts" being marked on the corner of the Cover,) as soon as possible after your Warrants for the necessary issues on account thereof, shall have been granted.

To the General Officer commanding His Majesty's Forces, (on Foreign Service). 70,307.

I have, &c.
(Signed) PALMERSTON.

CIRCULAR, No. 301.

WAR-OFFICE, 3d November, 1815.

SIR,

THE Contract Prices of Bread and Meat being at present in most Counties in South Britain under Sixpence for the loaf of four pounds, and Sixpence per pound of Meat, I have now the honour to acquaint you, that His Royal Highness the Prince Regent has been pleased, in the Name and on the Behalf of His Majesty, to direct that the commuted daily Allowances in Lieu of the extra Price of those Articles, granted by my Circular of the 12th May last, No. 272, shall, from the 23th instant, be discontinued.

To the Inspecting Field Officer of the Recruiting District. 74,742

I have, &c.
(Signed) PALMERSTON.

CIRCULAR, No. 302.
SIR,

WAR-OFFICE, 25th November, 1815.

REFERRING to my Letter, (Circular, dated 15th February, 1815, No. 266,) I have the honour to acquaint you, that His Royal Highness the Prince Regent has been graciously pleased, in the name and on the behalf of His Majesty, to order, that, if, in consequence of the change in the state of Public Affairs that took place in the month of March last, any General, or Staff Officer, in Great Britain, shall have actually kept, for the Public Service, a greater number of Horses than was allowed to be retained by the Order notified in my said Circular, he may charge the regulated Allowance for such Horses, up to the 24th December next, provided the number of Horses for which the charge shall be made, shall not on the whole exceed the proportion allowed for his rank, previously to the 25th February, 1815.

To the General Officers on the Staff in Great Britain. 61,615

I have, &c.
(Signed) PALMERSTON.

EXTRACT of an Act for discontinuing certain Deductions from Half-Pay, &c. dated 4th July, 1815.

"THAT it shall be lawful for His Majesty, His Heirs, and Successors, by Warrant under His Royal Sign Manual, from time to time to direct that the Half-pay and Military Allowances of Officers belonging to the Establishment of Great Britain or Ireland, should be paid to such Officers net and free from all or any of the Deductions which have heretofore been made from the same; and from and after the issuing of any such Warrant, all such Half-Pay and Allowances shall be paid without any Deduction whatever."
